Summary

Hi, I'm Madhav Dua. I am a dedicated and aspiring software engineer currently pursuing a Bachelor's degree in Information Technology (B.Tech IT) from COER (College of Engineering Roorkee), graduating in 2025.

With dedication and perseverance, I have earned five badges and have practiced over 250 coding questions on LeetCode, a renowned platform for algorithmic problem-solving.

Furthermore, I have achieved an impressive 2-star rating on CodeChef and a 5-star rating on HackerRank.

Projects

Code Dev:

Designed an online code editor with the primary use of facilitating the testing of small code segments or snippets, mainly HTML, CSS and JS.
